SG SILAT HARI RAYA BAKE SALE

Singapore Silat Federation initiated the bake sale fundraising project since last three years, where the world was first hit with COVID-19 pandemic.

Despite that, we have seen many generous people reaching out and supporting the project in aiding with the development programme for our youth.

With your support, we hope to see more youth coming in to participate in Pencak Silat actively and competitively!

THANK YOU!

CAMBODIA 2023: 32ND SEA GAMES

The 2023 Southeast Asian Games will be the 32nd edition of the Southeast Asian Games, a biennial sports multi-sport event which will be held from 5 to 17 May 2023 in Phnom Penh & Siem Reap, Cambodia.

This will be the highest number of sports to be featured by a nation hosting the biennial Games for the first time since 1977. Besides Pencak Silat, the sporting programmes in the 2023 SEA Games in Cambodia will include: Aquatics, E-sports, Football, Fencing, Hockey, and Volleyball, among many others.

All 11 members of the Southeast Asian Games Federation (SEAGF) are expected to take part in the Games.

ON TO THE 32ND SEA GAMES!

The 32nd SEA Games are coming!

The Singapore Silat team is ready to give their all for the Games, and we're ready to cheer them on. We're so excited for the athletes to get back into training, and we can't wait to see what they can do at this year's Games.

As they prepare for the games, they have started on the intensive training. While fasting during Ramadan does not stop them, it does mean that they must be extra careful with their health.

In-camp training begins on April 24th, and will last until the day they depart for Cambodia. We hope they'll be able to focus on their strength and endurance as they get ready for the big day!

MCCY'S MINISTER EDWIN TONG VISIT

OCBC ARENA HALL 4, SINGAPORE SPORTS HUB

Our SEA Games Silat Squad got the chances to welcome Minister of MCCY, Mr. Edwin Tong over at our training ground where he gets to witness the training routine our national athletes have to go through in preparation for the 32nd SEA Games.

On 14 April, Minister Edwin Tong reached the OCBC Arena Hall 4 at around 4.45pm to mingle with our national athletes. Other than just mingling with the athletes and officials, Minister also got the chance to try some moves and technique.

Our Seni athletes, Muhammad Iqbal, Muhammad Affiz Zakri, Muhammainil Mustafar, Muhammad Nazrul, Siti Nazurah, and also the 'Regu' girls showed their moves and training routines. The best part is where Minister picked up the 'Toya' and learned a step or two!

On top of that, Minister went in to the cage to experience our Tanding athletes sweat out with some punches and kicks! Thank you, sir, for coming over to our humble arena!

SINGAPORE SPORTS SCHOOL SEND-OFF

 SINGAPORE SPORT SCHOOL

10 of the Silat athletes representing in the coming 32nd SEA Games is Singapore Sports School alumnus, and they were presented with customized postcard and plush toys at the Singapore Sports School Send-Off Ceremony.

Extracted from Singapore Sports School eNews, Muhammad Affiz Mohd Zakri shared that,

I feel very fortunate and excited to make my debut in this year's Games. It's been a long time coming. I have witnessed my seniors being in the Games and now it's finally my turn. This would not have been possible without the support of my parents, the Singapore Silat Federation and my friends. I will grasp this opportunity with both hands and never look back.

TORCH RELAY & FLAG PRESENTATION

OUR TAMPINES HUB

Last year, we witnessed Sheik Farhan Sheik Alau'ddin as flag bearer at the Flag Presentation Ceremony for the 31st SEA Games.

And this year, we get to see athletes from gymnastic and boccia as the flag bearers for the SEA Games and ASEAN Para Games. Geared up in their Yonex attire, our Silat athletes started their day as early as 7.20am to be involved for the Torch Relay and Flag Presentation ceremony.

A total of 558 athletes across thirty-six sports will be competing in the 32nd SEA Games from 5 to 17 May 2023, across few cities including Phnom Penh and Siem Reap.

We have a total of 21 athletes competing in seventeen events categories will be making their appearance at the 32nd SEA Games. Seven of our athletes who is under 20-years is making a debut in the SEA Games platform.

INTENSIVE IN-CAMP TRAINING

 OCBC ARENA, SINGAPORE SPORTS HUB

Just 2 days after the Hari Raya Aidilfitri celebration, the athletes have to check in to OCBC Arena for one week intensive training before flying off to Phnom Penh, Cambodia for the 32nd SEA Games.

3-times a day training which covers physical training (skills & techniques), strength & conditioning, and mental training. A lot of people are wondering why are we doing this?

Basically this is to get the athletes to be in the competition zone state of mind, and bonding between their team members and officials. This is where they will train together, eat together, sleep together, and go through hardship together!

GO TEAM!

It is definitely refreshing for our athletes to be able to gulp down refreshing the World's No.1 Sports Drink throughout their outdoor trainings under the scorching hot sun!

Gatorade comes in 3 flavors - Lemon Lime, Blue Bolt & Quiet Storm!

Make it as your choice to rehydrate, replenishes & refuels after your workout.

Singapore Silat Federation received a total of 7 cartons (515ml) of Gatorade Lemon Lime from Gatorade Singapore, for our national athletes to boost their energy level

Whey protein or Protein bar is synonym with those people who does their workout regularly, especially amongst athletes. Where they consumed it to helps in their muscle growth and recovery.

Singapore Silat Federation received Allmax Allwhey Classic Powder (Chocolate) together with the Shaker Cup & Allmax Protein Snack Bar (Chocolate Peanut Butter) for our SEA Games Silat contingent.

SILAT PERFORMANCE

INTERNATIONAL NUZUL QURAN EVENT

JAMIYAH ISLAMIC CENTRE

International Nuzul Quran is an annual event organized Jamiyah Singapore to commemorate the first revelation of the Quran to the Prophet Muhammad PBUH on the 17 of Ramadhan.

The event features melodious recitations of the Quran by renowned local and international Qari and Qariah.

Together with their guest-of-honor, Assoc Prof Dr Muhammad Faishal Ibrahim, Minister of State, Ministry of Home Affairs & Ministry of National Development, our SEA Games team and Singapore Sport School student-athletes have the opportunity to attend the auspicious event.

We believed the event was a rewarding experience for those who attended, and help them to grow spiritually during the holy month of Ramadhan.

SPEXSCHOLARSHIP CEREMONY

 BANK OF SINGAPORE LOUNGE, THE NATIONAL STADIUM

We started off with just two Silat athletes who received the Singapore Sport Excellence Scholarship (or better known as spexScholarship), and seven years later, seven of our up and coming champions were awarded with the scholarship on 12 April 2023.

The ceremony was witnessed by the Minister of Ministry for Culture, Community and Youth, and Second Minister for Law, Mr. Edwin Tong, together with the spexScholar's loved ones.

The athletes we evaluated based on the data points they have achieved in their recent competitions in 2022; SEA Games, World Championship, Asian Championship, and others.

Presenting to you our own Silat spexScholars (in picture);

NUR INSAN CHARITY RIDE 2023

GHIM MOH ESTATE, SINGAPORE

Apart from their intensive training in preparation for 32nd SEA Games, our SEA Games squad spend their Sunday morning on 15 April, at the Ghim Moh estate distributing groceries pack and vouchers to the resident there.

It was a great pleasure when one of our partner, Nur Insan, invited us to join them to perform charity deeds, especially in the month of Ramadhan.

Scorching sun and fasting does not stop the athletes moving the trolley, carrying packs of goods, and sorting the items. The distribution was done with great enthusiasm, plus we can see smiles from Nur Insan's students and volunteers, as they enjoyed the company of our national athletes.

We thanked Nur Insan for inviting us over, and giving our national athletes a chance to perform good act as it will create compassion and empathy within them. And we hope youths out there are more inspired to do the same.
