SINGAPORE'S national soccer coach Raddy Avramovic (left) and silat technical director Sheik Alauddin congratulate each other after receiving

the High Performance Coaching Awards (senior competitions) at the Singapore Sports Council Coach Recognition Awards yesterday.

The two were among 25 coaches honoured for their efforts, contributions and professionalism in their field of work.

Serbo-Montenegrin Avramovic led Singapore to the Tiger Cup in January, while Sheik's charges brought in four gold medals at last year's World Championships.

Former world champion Sheik also received an SSC coaching scholarship along with four other local coaches.
